

Role Description

Outreach Worker

1. To identify and engage with under represented groups as outlined in the marketing & communications review.
2. To cultivate a continuous dialogue with these groups.
3. To identify ways in which SECHC can provide services to under-represented groups.
4. To participate in events organised by other organisations, that will promote SECHC and its services.
5. To provide regular reports on activities undertaken and outcomes.
6. To produce and circulate literature and promotional materials that will appeal to under-represented groups.
7. To increase the number of men and people from BME communities that access the Centre and its services.
